

Serve in India this summer as a visiting faculty with ACTS, a Christian NGO dedicated to serving the poor through education, healthcare, environmental initiatives, and a unique theological training institute.

The ACTS Institute was founded in July 1979 in Bangalore and seeks to assist in the spiritual, intellectual, and social development of young men and women who sense a call of God to prepare for self-supporting Christian service. Classes are designed to stimulate students to acquire a sound knowledge both intellectually and practically for a wholistic ministry. Visit www.acts.co.in for more information about our programs.

Visiting Faculty Details

- Program length is 2 months from mid June to mid August, however, accommodations may be made for faculty who wish to extend their appointment.
- Applications are considered on a rolling basis.

The purpose of the Visiting Faculty Program is to bring outstanding scholars to the Institute to expand and develop scholarship through the exchange of new ideas, cultures, and approaches to learning. Faculty with expertise in the following areas are encouraged to apply:

Anthropology, Biblical Studies, Christian Ministry, Christian Theology, Church History, Economics, Philosophy, Political Science, Psychology, Sociology, and World Religions.

Visiting faculty will have the option of teaching directly from the Institute's list of courses or from a topic of special interest in their respective field. Faculty are encouraged to teach 2 to 3 courses and be engaged in faculty and student mentoring during their approximate 8 week appointment.

Additionally, visiting faculty will be assigned an Institute faculty guide who will provide guidance and serve as a resource during the length of the experience.
